## Renewable Component Repair

**ENA Electronics Laboratories** [est. 2000] is an industry leader in renewable electronic component repair and offers an extensive repair product portfolio. Our experience in the renewable industry, alongside our unparalleled testing capabilities provides unmatched service to our customers. ENA has heavily invested in R&D and our custom test stands ensure the highest standards, quality, reliability and cost-effectiveness.

\*Prices subject to change\*

Component	Model Number	Part Number	Photo & Price
Advanced Energy Inverter AEI	869 R024.100 AE		
Advanced Energy Inverter AEI - Power Control Board	P142		
Beckhoff CPU Module	CX5020-0121		
Hirschmann Rail Switch	RS20		
Kaco Solar Inverter - Transformerless	Blueplanet XP10U-H6 1001210		
Kaco PCB Board	LP348C		
MOXA Serial Fibre Optic Converter	TCF-142-M-ST-T		
SMA IGBT Assembly	SC-CU1015.3A		

### Main Location

ENA Electronics Inc.  
80 Bancroft Street  
Hamilton, ON, Canada,  
L8E 2W5

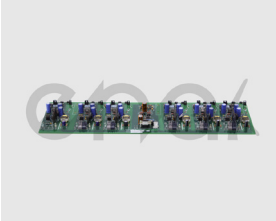

### USA Shipping Location

Fyke Trading Inc. c/o ENA Electronics Inc.  
2221 Kenmore Avenue, Suite 106  
Buffalo NY USA, 14207-1360
